Good After Ms. Benedetto,

I am forwarding the e-mail I sent on Friday, March 2, 2018 to Mr. Seeger with the additional files.

I need your assistance with Mr. Black. I sent the documents to Mr. Seeger by the deadline because Mr. Black would not send them. He stated he resigned. We are seeking council but do not have a replacement at this time. At this point, the Cambridge Entities do not have legal representation for the April 2, 2018 hearing.

Mr. Black called me Friday evening, March 2, 2018, informing me that the signature on the documents I sent to you is not Dr. Howard's. I was told to inform Mr. Seeger of that information. I'm not an attorney.

If you can assist Cambridge with Mr. Black, we would be appreciative.

I am also attaching the letter from the accountant. These documents are not audited.

Best Regards,
